¹Receive Digital Reward Points (DRPs) each time your personal Brand Partner (BP) or Preferred Customer (PC) makes a new Gnode Node(s) purchase and/or when a Mini Node Subscribe & Save processes. Also receive DPRs the first time a JuuvaSAFE and/or Meetn to is added to Subscribe & Save by your personal BP or PC. Enroller rewards available for a limited time.

²DRPs are approximate based on current DRP distributions as of 09/18/25.

³Subscribe & Save subscription required. Must be a Full, Half, or Quarter Gnode Node owner to purchase.

⁴Subscribe & Save subscription required. An X1 Gnode Node will be granted if the purchaser does not own a Gnode Node so that DRPs will accumulate in the Vaultix Wallet. There are addition DRPs that will be awarded for usage of Meetn. Check with Juuva for details.

Digital rewards earned through active participation and engagement. Rewards not guaranteed and have no assigned monetary value. Not an investment product. Prices and PV subject to change.

Be sure to use the same email address for all Gnode node & Gnode product purchases to be awarded correct DRPs.
